

10 September 2018

2 Section

Apitherapy

Speaker:

*Krivopalov-Moskvin Igor Vladimirovich,
Doctor of medical science*

11²⁵-11⁵⁵ Beekeeping and Longevity. A review".

Cristian Constantinescu

*Director General Institutul International de Tehnologie si Economie
Apicola – FIITEA, Vice President of Apislavia*

12⁰⁰-12³⁰ Apitherapy in the World, past, present and perspectives.

Beekeeping, Apitherapy and Longevity, a review.

Stefan Stangaciu,

*President of the German and Romanian Apitherapy Societies,
Vice-President of the Francophone Apitherapy Society, Румыния*

**12³⁵-13⁰⁰ Bee products as potential alternative for the treatment of
Neurodegenerative disorders- state-of-the –art. Endocrine and
metabolic disorders - can apitherapy help?**

*Cristina Mateescu, President of Apimondia
Apitherapy Commission, Romania*

13⁰⁰-14⁰⁰ Lunch

14⁰⁰-14³⁰ Life and work Dr.Beck Bodock

Dr. Kermendi-Ratz Janosh, chairman of the association of apitherapists,
Ph.D.

Rozh Ishtvan, engineer, assistant professor

*Association of Hungary beekeepers, association of Hungary
apitheapists, Hungary*

**14³⁵-15⁰⁵ Apitherapy today and improvement of regulatory and legal
regulation in the field of traditional medicine**

Krivopalov-Moskvin Igor Vladimirovich Dr. Habil,
Research institute of clinical apitherapy, “API” Ltd, Russia.

**15¹⁰-15²⁵ Restoration of immunity and microbiocenosis of intestinal canal by
biologically active products of beekeeping**

Mannapova Pamziya Timergaleeva, Dr. of biological science, professor
*Russian State Agrarian University - Moscow Timiryazev Agricultural
Academy, Russia*

15³⁰-15⁴⁵ Influence of royal jelly on blood value and working capacity of Wistar rats in conditions of physical activity

Krilova Elena Valerievna, Dr. of biological science
Institute of Biology and Biomedicine of Lobachevsky, Russia

15⁵⁰-16⁰⁵ Using of bee products in asiaerotherapy

Surkov Oleg Grigorievich, Dr. of medical science
Public organization of aphyphytotherapists and beekeepers of Crimea, Russia

16¹⁰-16²⁵ Apitheraty – to be or not to be?

Vlasova Irina Vozgenovna, Dr. of medical science
Clinic “Family Doctor”, Russia

16³⁰-16⁴⁵ Treatment of erysipelas with products of beekeeping.

Bazaev Lecha Khamidovich, beekeeper, apitherapist
Republic of Chechnya, Russia

16⁵⁰-17⁰⁵ Consolidation of interests in apitherapy

Sorokova Natalia Evgenievna
Member of the Ryazan Apitherapy Society, Russia

11 September 2018

2 Section

Apitherapy

Speaker:

*Krivopalov-Moskvin Igor Vladimirovich,
Doctor of medical science*

**10⁰⁰-10¹⁵ Royal Jelly – natural and effective immunomodulator for children.
(results of clinical research)**

*Knizhenko Valentina Anatolievna, Dr, hab.
TM «Medok», PE Knizhenko V.A., Ukraine*

10²⁰-10³⁵ New is well overlooked old

*Sergeants Grigory Ivanovich
«MateriaBioProfiCenter» Ltd, Russia*

10⁴⁰-10⁵⁵ Honey Bee Protection Systems

*Popravko Sergey Alekseevich, dr.hab.
«Laboratory Popravko» Ltd, Russia*

11⁰⁰-11¹⁵ Bioenergetics interaction of the bee and human biofields

*Ymasheva Zoya Aleksandrovna
Community "Bee and We", Russia*

11⁰⁰-11¹⁵ Experience in apitherapy promoting

*Dryuchin Evgeniy Vladimirovich
Community "Bee and We", Russia*

2 Section

*Technology of producing beekeeping products
and quality of apiproducts*

Speaker:

*Brandorf Anna Zinovievna,
doctor of agriculture science.*

11²⁵-11⁴⁰ Biological principles of rational using of drone brood of honeybees

*Burmistrova Liliya Aleksandrovna, candidate of biological science.
Federal scientific beekeeping center, Russia*

11⁴⁵-11⁵⁰ Organic beekeeping – utopian or real alternative.

*Dimo Dimov, engineer, beekeeper,
Editor-in-chief of the journal "Bee and Hive", Bulgaria*

**11⁵⁵-12¹⁰ Properties of honey, the most promising for their promotion to
new markets.**

Saltykova Elena Stanislavovna, Dr. of biological science
Institute of Biochemistry and Genetics, UFIC RAS, Russia

12¹⁵-12³⁰ About security of honey on Russian market.

Kharitonova Margarina Nikolaevna, candidate of biological science
Federal scientific beekeeping center, Russia

12³⁵-12⁴⁰ Extrinsic lipid fraction of pollen basket carrier attractants for honey bees

Bilash Natalia Grigoryevna, candidate of biological science
Federal scientific beekeeping center, Russia

12⁴⁵-13⁰⁰ Installation for honey production in a deserted apiary

Muratov Vladimir Ivanovich
Beekeeper, Russia

13⁰⁰-14⁰⁰ Lunch

14⁰⁰-14¹⁵ Comparative analysis of honey from the botanical garden of Kuban State University

Ovchinnikova Maria Anatolievna
Kuban State University, Russia

14²⁰-14³⁵ Technology of production of beekeeping products and quality of Apiproducs

Ostrivnaya Olga Evgenievna, master's student,
Russian State Agrarian University - Moscow Timiryazev Agricultural Academy, Russia

14⁴⁰-14⁵⁵ Influence of some ecological factors on evolution and cultivation of larvas of large bee moth (*Galleria mellonella* L.)

Osokina Anastasiya Sergeevna, candidate of biological science
Udmurt Scientific Research Institute of Agriculture Branch of RAS, Russia

2 Section

*food reserve of beekeeping and
pollination activity of honey bees*

*Speaker:
Brandorf Anna Zinovievna,
doctor of agriculture science*

15⁰⁰-15¹⁵ Creation of highly productive agroecosystems for intensification of beekeeping

*Savin Anatoly Pavlovich, doctor of agriculture science
Federal scientific beekeeping center, Russia*

15²⁰-15³⁵ Honey resources of fruit and berry plantations and vegetable gardens of the Udmurt Republic

*Kolbina Lidiya Mikhailovna, doctor of agriculture science
Udmurt Scientific Research Institute of Agriculture Branch UDMFITS
URO RAS, Russia*

15⁴⁰-15⁵⁵ Valuable nectariferous-pollen plants of the center of Russia

*Dokukin Yuri Viktorovich, candidate of agriculture science
Federal scientific beekeeping center, Russia*

16⁰⁰-16⁵⁵ Association of Natural Beekeeping of Russia – history and purpose of structure, current projects, operating results

*Pigarev Ivan Ivanovich
Association of Natural Beekeeping of Russia, Russia*

17⁰⁰-17¹⁵ Beekeeping of Belorussia, experience of keeping honeybees in climate of Minsk

*Kamenkov Vladimir Petrovich
Club “Belorussian beekeepers”, Republic of Belorussia*
